Founded in 1935, the M & M Yacht Club organized the first 100 Miler in 1937. The Marina Management Group which oversees the running on the Menominee Marina was established in the spring of 1983, and the club through the efforts of a number of hard working members renovated and moved into clubhouse in the early eighties. Prior to setting up shop in our new place, the MMYC had no permanent home.

Over the years the Club has had a number of active fleets including **Flying Scots**, **Snipes**, **Lasers**, and **5.5 meter** boats. Currently **Ensign Fleet 12**, formed in 1993 and a small contingent of **Lasers** are the active **One Design Fleets**. While the numbers are less than in the past **PHRF racing** continues in the form of the **LMPHRF area 1 races** as well as the local Wednesday night **PHRF fleet**. The club also sponsors several family type races each season as well as our **"Meet the Fleet"** event at which we offer one hour boat rides to the public.

MMYC has hosted a number of important events in the past, starting with the **1969 Mallory Cup Men's National Championship**, in which top U.S. sailors used the local 5.5 meter boats. **The Flying Scot Regionals** were held here in 1971 and the **LMYA Offshore Championships** in 1975. **The 1995 and 1999 Ensign Regional Championships**, as well as the **1998 Ensign National Championships** took place in Menominee drawing 37 boats from around the country. **In 2003, the S2 7.9 International Regatta** hosted 31 entries from the U.S. and Canada.
