## RC Sailing

- Sail using only the wind- no motors!
- Low time and money commitment.
- Learn to sail in 10 minutes.
- Anyone of any physical ability can sail!
- Friends, casual social events.
- Buy or build a boat, new or;
- Buy used for about 1/2 the cost of new.
- Transport a fully-rigged Soling 1 Meter in a small SUV, or compact car w/ rear seats folded.

AND

- No yacht club, dockage or haul-out fees!

- Full-feature sailing—everything as in full scale sailboat racing, but far less cost, involvement, and commitment.
- Tune boats for best performance. Sail shape, rig tension, vang and backstay.
- Click two switches— sail for 4 hours.
